My girls have been attending Activ Elite for over a year now and they absolutely love it! The principal Charisse and the teachers are amazing. They're so warm and welcoming and are always going the extra mile with every single student (and their families). The environment they provide is safe and fun.

My girls have learned so much and continue to do so from this studio. I cannot thank Activ Elite enough for all their help and support.

Would definitely recommend Activ Elite Performers to anyone keen on building confidence, self esteem, and friendships. It's a 5 star from me.

This place is terrific! Two of my three daughters have been part of the ACTiv Elite family for many years now, and just recently their younger sister joined the fold. Charisse, Roshelle and all of the teachers/team are skilled, enthusiastic, caring and passionate about supporting every child/young person to grow in skills and confidence. Skill level doesn't matter, ACTiv Elite works with every student to develop and do their very best. And with the amazing range of classes available, just about any kid can find something they love - dance, drama, singing, musical theatre, aerial silks - this place has got it all! Most importantly it is super-fun, my girls love going to their classes and have made great friends at ACTiv Elite. The culture that Charisse and Roshelle have created at ACTiv is pretty special, give it a go!

ACTiv Elite is synonymous with family. The support and love shown to every student and teacher is second to none. Children have the opportunity to progress in all aspects of performance, with safe practices and encouraging instruction. Definitely the best place for a student to have fun and find themselves, while learning to perform!

Amazing studio that now feels more like a family away from home. Charisse, Roshelle and the teachers are passionate, hard working and love sharing their love of dance with the students. It's an inclusive studio with the main purpose of having fun and having a go. Charisse dedicates so much of her time helping people in need and has organised many charitable events. These are the values that have kept us enrolled at Activ for over 7 years.
