My daughter absolutely loves coming to ACTiv Elite. Some highlights:

1. Incredible teachers who nurture talent and encourage the students to 'have a go' whilst having fun.
2. She isn't always the most outgoing child so this has given her a real confidence boost in a safe space to meet new people and learn new skills (there are lots of different classes to try).
3. The twice yearly concerts are such a special time to show off their skills in a no-pressure and fun environment. Plus the outfits are always incredible!
4. She has just turned 7 and has already made some great friends - I see the older students and admire the genuine connections and friendships formed. This excites me for her future.
5. Charisse, Roshelle and the team have welcomed us from day one. They love to teach! Communications are regular and fantastic.
6. I've made great friends too - and not the crazy dance mom types cos they don't exist here 😊

We are very happy teachers are all amazing.

My daughter Jaime Rose is doing acro,, tap jazz and singing lesson with Julian Batchelor.

Her singing is improved a lot and got a big job at Sydney Capital Theatre playing Gad's wife and Butler in Joseph and the Amazing Technicolor Dream-coat,with the help of Miss Charisse and Julian.

I will enrol Jaime in the other class for the next term .

Thank you so much Active Elite.

I can't thank you and commend you enough for the amazing work that you do. My daughter ABSOLUTELY loves her singing and cheer leading lessons and her self confidence has exploded. She is so excited to share what she has learnt and thanks to Miss Nicole she is delighted that she can now do a backbend!! Mental health is so important and what you give to your students is immeasurable. All of you are truly amazing and I thank you so much for the smile and delight I see in my daughter before and after every lesson.

Keep doing what you are doing because it's wonderful.
